Every journey begins with
the first step.

Many people labored long hours building this exceptional school. Through these pictures we can only try to express our gratitude and appreciation.

Ground Breaking

It seems so long ago that we dug that first shovel full of earth. Today we are Montgomery High School.

L. TO R.: G. Bowdine, H. Dowling, E. Baumonk, J. Hoffman, J. Graaskamp, Keith Van Zandt, P. Messineo, W. Baker, A. Lutz, Debbie Renson, J. Baumonk, M. Harding, C. Grayson, O. Kaufman, N. Hoagland, E. Mc Keon.

Superintendent
Dr. Cooperman

In his first year as Superintendent, Dr. Cooperman made significant investments of time and energy researching ideas that will help prepare Montgomery students to face the challenges of the '70's and beyond.

Principal

Mr. McKeon

After almost two years of planning, we made the big move to our fine new High School. It happened... on December First, 1969.

Vice Principal

Mr. Chesler

Montgomery High students have come to value the wise counsel of our two guidance specialists, Mrs. Jillson and Mr. Adamsky.

Helping Mr. McKeon with administrative tasks involved in the operation of Montgomery High is Mr. Chesler. His efforts helped make smoother the move to the new building in December.
